Staff to wear masks no more than 30 people
Government permitting (TBC)

A warm welcome back to all. We hope you all had a fun Summer!

What we got up to in Term 6...

We all said a warm goodbye to our school leavers and wished all a lovely Summer holiday. Unfortunately, due to government restrictions we had a lot of our planned events cancelled in term 6.

What's happening in Term 1... We welcome back our current children and our new children and families to Christchurch preschool. We will be using a provocation for September, 'All about me, my family and home'. To support this could children bring in some family photos to keep at preschool; one for our family tree on the display board and one or two of the child's family & pets that we can laminate and keep in a basket on the carpet to promote discussion, -speech & language during session times. Our new Core Story is '**We are going on a bear hunt**' We will be reading this story throughout term 1, using props and linking to activities.

We have divided the room in half and the children into two bubble groups with separate toilets and staff in each group with their key children. The children have come in independently, we have allowed the children to slowly settle back in and they have adapted so well to the changes in the room. They follow the hand washing rules and don't mix their bubble groups. Staff are following vigilant cleaning routines each session.

Parents Evening – Tuesday 10th November

Government permitting (TBC)
Summaries of the children will be completed by keyworkers and discussed with you at this meeting. Summaries can be read on your child's learning journey on Family. If restriction is still in place, we won't be able to have these meetings, however you can still read the summaries on Family and add a comment to show you have read it and feel free to message us with any questions. Also, if there are any information that you have updated on Family, please let me know so we can update our paper records too.

Committee

We need committee members

We have to have a minimum of 5 people on our committee which includes the 3 Officer roles (Chair, Treasurer & Secretary) and at least 2 members. The more members there the less work there is to do! Committee meetings are held half termly (so just 6 in all) plus the AGM in October. Due to the current pandemic situation these meetings will need to be virtual for the foreseeable so you don't even need to leave your sofa!!

Please email Katie

Concept Photographs – Thursday 8th October morning

. We have a photographer coming to preschool they will use the back door at set up on stage, not needing to enter the play room. We do have a copy of their Covid-19 policy, their back drop is wipeable, they will wear gloves and able to keep a distance. If you would like a photo of your child at preschool or book an appointment to have a family photo or book an appointment if its not your child's day. Please get in touch. (great Christmas presents)
Parents/Carers are expected to stay with their children during an appointment for photos.
