A warm welcome back to all. We hope you all had a fun Summer!

What we got up to in Term 6...

We all said a warm goodbye to our school leavers and wished all a lovely summer holiday. We did manage a sponsored walk and a small school leavers graduation, Unfortunately, due to government restrictions we had a lot of our planned events cancelled or restricted in term 6.

What's happening in Term 1... We welcome back our current children and our new children and families to Christchurch preschool. We will be using a provocation for September, '**All about me, my family and home**'. To support this could children bring in some family photos to keep at preschool; one for our family tree on the display board and one or two of the child's family & pets that we can laminate and keep in a basket on the carpet to promote discussion, -speech & language during session times, if you have already provided a photo last year, you might want to update them? Our new Core Story is '**The Tiger who came to tea**' We will be reading this story throughout term 1, using props and linking to some activities.

Though restrictions have been lifted, numbers are still high and South Glos want our setting to air on the side of caution - Please read our risk assessment, so only one parent to enter preschool for drop off and pick up times, hand washing on entry to continue with hand sanitisers available, staff will continue to following vigilant cleaning routines each session. **(Please Label children's belongings - all items)**

Parents Evening – Tuesday 9th November

with keypersons -3.00 – 4.30**

paper records too.
